Professional Experience

Branch

February 2017 - July 2018 (1 year, 6 months)

Account Executive, Growth Team Lead, Integrations Engineer, Sales Development Representative

- Promoted twice and averaged 120% to goal due to ability to learn quickly, execute and navigate change.
- Managed Growth Team, including helping hire, designing and executing intensive training, day-to-day management and transitioning the team to Sales.
- Responded to tickets and helped partners debug technical issues as a member of the Integrations Engineering team in order to acquire deep technical knowledge of Branch's product.
- Established relationships with developers, product managers, marketers, and C-level executives at enterprise companies like Wells Fargo, Alaska and Credit Karma.

TubeMogul

September 2014 - April 2016 (1 year, 8 months)

Account Executive, Sales Development Representative

- Led sales class and consistently exceeded quota, setting over 75 enterprise meetings, which led to being promoted within ten months.
- Led new company initiative in mobile app install focused campaigns, a \$50 billion market
- Awarded the role of 'Buddy,' where I trained new hires in industry knowledge, company culture and sales skills.
- Responsible for bringing in over \$250k in revenue.
